## NEW LANCASTER OFFICE

1776 HARRISBURG PIKE, LANCASTER, PA 17601

**Katherman, Briggs & Greenberg**  
is excited to announce  
**THE OPENING OF ITS**  
**NEW LANCASTER OFFICE**

**1776 Harrisburg Pike — at the corner of Good Drive and Harrisburg  
Pike between the Lancaster Health Campus and Park City Mall.**

Our Lancaster County client base has outgrown the satellite office we've maintained for almost twenty years. Many of our attorneys, staff and their families live in Lancaster County and have been involved in the community for decades. It was time to put down deeper roots in our community.

Since we focus our practice on representing people injured by another's negligence, those injured at work or those who need social security benefits, we chose a location near the Lancaster Health Campus so our office is convenient and easy to find. We learned over the years that clients prefer a central location that is not only easy to get to, but easily accessible.
